Louisville, June 3d, 1863. We, the undersigned, have seen the good effects of Dr. Jone Bull's Causen Burress in case of general debility and prostration of the system, and believe its general use would prevent disease and relieve much suffering. Among our soldiers particularly would this be the case, especially those who are exposed to the missmatic influences in the Southern climate.

Y. City, at the office of Hon. J. R. Coffroth, Huntington, Indians, and at the office of Roach & McDonald, Indianapolis. A reference to the report of the Hon. David Dale Owen, late State Geologist, will show that these lands are situate in the midst of the finest coal fields of the State, abounding also in sait, iron and other valuable mineral substances. Near the mouth of Coal Creek, where the Company has large quantities of lands salt water has been discovered

equal in quality to the Kanawha. This water was pro- | GRAND. cured some 35 years ago by boring, soon after, the On-ondaga sait finding its way down the Wabash and Erie Canal, Mr. Thomas, the proprieter, finding himself un-able to compete with it, abandoned the manufacture. In his boring he encountered that which recently dis-closed facts prove to have been coal oil. Those lands all lie in close proximity to the Wabash and Rrie Canal, some of them upon its banks. Mr. John McManomy, the business agent of the company, has returned from a tour of observation of the of regions of Pennsylvania, convinced that the lands leased by the company, in Fountain and Parke counties, has, so far as the general formation of the country and the surface indications present themselves, a stong analogy in the oil and mineral substances as found on French Creek, Pennsylvania, where the greatest quantity and the most valuable oil is found Mr. McManomy has purchased for the company the most approved machinery, with all the fixtures necessary for operation, and is pre-paring with experienced workmen the speedy development of the hidden treasure of the lands of the company rational prospect of success.
